Thank you for your interest in the Desert Valleys annual scholarship. We are excited to see what you put together for us. Our team is looking for individuals with the drive and work ethic to make informed decisions throughout life and take an active role in their community.

TOPICS

01 Community

Why is it important to be engaged in your community/school?

02 Leadership

What is it that makes someone a good leader?

03 Finance

Where do you think the future of money is going and what will currency be like ten years from now?

Qualifications

Students interested in the annual Desert Valleys scholarship must have a cumulative minimum 2.7 GPA. Students must be attending high school full time. Grades 9-12 are eligible. Applicants should be involved either on campus and/or in their community in multiple ways. Involvement activities include but are not limited to: ASB, CSF, Scouts, Sports, Church, etc.

Description

This will not be your average scholarship application. We believe essays are overdone and boring. We're offering you a way to creatively express your opinions and beliefs in video format. Applicants will choose from one of our three topics: Community, Leadership, and Finance to focus their video on.

Guidelines

Applicants are limited to one video submission per year. All videos are not to exceed 3 minutes. You can feature other people in your video, however the focus needs to be on you. We're keeping our requirements short on purpose; we want to give you as much freedom as possible. You can use any video editing software to complete your project.

Requirements

Fill out the attached registration form and turn it in to Desert Valleys FCU by **March 15, 2019**. You will need to attach an unofficial transcript, a photo of yourself in a black shirt, and the parent/guardian consent form. Video submissions are no later than **April 30, 2019** by midnight. Videos files should be named LastName.FirstName/Topic#. Applicants must upload their videos to Google Drive and send an email with the link to info@desertvalleys.org.

Judging Criteria

Our team will be judging the videos based on presentation, organization, and quality of response to the topic. We're looking for students who can articulate their thoughts in a cohesive and entertaining way. If you simply record yourself reading a speech, you will probably not be selected.

The winner from each category will receive an \$800 scholarship to be used specifically for higher education expenses. Desert Valleys will hold scholarship funds in trust until proof of college enrollment. Applicants can submit to only one category per year. If you have any questions or concerns, don't hesitate to give us a call or send an email.
